

Leica DISTO™ X310

Article number: 16707000

DESCRIPTION

Laser distancemeter

- The new Leica DISTO™ X310 is the only laser distance meter to be dust-tight and protected against water jets – to IP65. Cleaning under running water is also no problem.
- It passes drop test from up to 2m high – the sensitive measuring elements are protected by solid rubber parts.
- Thanks to the tilt sensor of 360° are indirect distance- and height-measurements absolutely accurate possible.
- If obstructions prevent you from taking direct distance measurements, you can use the Smart Horizontal Mode to determine the horizontal distance simply and absolutely precisely.
- Functions: Tilt sensor 360°, Min/Max measurement, continuous measurement, stake out function, addition/subtraction, area/volume, painter function, pythagoras (3 points, partial height), Smart Horizontal Mode, height tracking, memory for 20 values, illuminated display, multifunctional end-piece.
- The X310 is certified by ISO 16331-1.

APPLICATIONS

Applications

- Faster as a measuring tape.
- Very robust - ideal for outdoor use on construction sites.
- Handy, small and a simple operation.
- With tilt sensor 360°.

SPECIFICATIONS

Laser class	2
Range	0.05 - 120m
Accuracy	± 1.0mm
Protection class	IP65
Dimensions	122 x 55 x 31mm
Weight	155g
Battery	2 x AAA

ACCESSORIES

**Scope of delivery**

- Leica Disto™ X310 laser distancemeter
- Holster
- Hand loop
- 2 x AAA batteries
